KILLED BY HILL'S "AUTO." NEW PORT CHESTER FIGHT

Woman Run Down by Man Going to Answer Speeding Charge.

While crossing Greenwich-ave, and Charlest yesterday afternoon an unknown woman was run over and killed by an automobile owned by James J. Hill. president of the Great Northern Railroad and of the late Northern Securities Company. Frank C. Foote, of No. 214 East 82d-st., the chauffeur, in charge of the 50horsepower machine, was on his way to the Court of Special Sessions at the time of the socident, to answer a charge of overspeeding his automobile on Saturday last.

Foote was crossing Charles-st., at Greenwich ave., when the automobile struck the woman. With Patrolman Monyhan he placed the unconscious woman in the automobile and went with a speed breaking all ordinances to St. Vincent's Hospital. She died a half hour later. Foote was arraigned in the Jefferson Market court and was remanded to the Coroner, by whom he was later held in \$5,000 ball and sent to the Tombs.

Foote said that he was going at a speed not over eight miles an hour. He was behind a delivery wagon and turned out to pass the wagon. The woman at that moment started to wagon. The woman at that moment started to cross the street and stood directly in the path of the automobile. Foote said he blew his horn and shut off the power immediately. The woman stood and besitated. She started to go back sgain, and then, as if she thought she could get over in time, went ahead. She was struck, knocked down and both left wheels passed over her.

On the woman was found a purse containing on the woman was found a purse of two \$20 bills and some small change. She also had a strip of Hoboken ferry tickets, three of which had been used.

James N. Hill said last night:

When I bought the automobile and employed Poote ten days ago, I made only two conditions with him; the first was that he should never take the machine out of the garage without my permission; the other was that he should never run at fast speed in town under any circumstances. He violated both rules within a few days. I accounted his explanation and his promstances. He violated both rules within a few days. I accepted his explanation and his promise not to repeat the offence. Then he violated the speed rule for the second time when going out of town to meet me. I told him I would wait until I knew how the court regarded his explanation of this incident before I dealt with him, and ordered him to call me up to-day and tell me what happened in court. I told him that I would not be in town and would not see him to-day. Relying on that, he took the machine to-day. Relying on that, he took the machine out again without permission. Foote appealed to me for ball, but I refused to furnish it, and I hope that the court will deal as severely as possible with him and will make an example of him.

VERBAL CONTEST AT YACHT CLUB.

3. Clarence Harvey Declared Winner Over Pittsburg Man at Sea Gate.

Following a "mess dinner" on the main deck of the Atlantic Yacht Club at Sea Gate last night, which was attended by the officers, half the crew and a liberal muster of landlubbers, John L. Goldon, the master-at-arms of the entertainment com-mittee, announced a "verbal set-to," for points, between J. Clarence Harvey, of New-York, and G. Paterson Early, of Pittsburg, said to be two of the cleverest exponents of the art. Before Mr. Early got through with his flow of eloquence, judg-ing from the frequent interruptions by the mem-bers, he came too early and stayed too late. He chose for his theme "Casablanca," but after wrestling with adjectives and alleged humor for twenty minutes the chairman good naturedly told him time was up.

Clarence Harvey said he had come all the way from Pittsburg, having been called from there by telephone to attend the dinner, and after telling a couple of funny Irish stories a vote was taken, which resulted in his winning the "set-to." Miss Marle Dressler sang "I'm Going to Change My Man." Jack Hazzard, Fred Noyes Drake and Archie Gunn also entertained those present. Commodore D. G. Reid presided.

"Little Tim" Keeps Board of Estimate from Giving Franchise.

About one hundred residents of The Bronx and Westchester County attended the hearing before the Board of Estimate and Apportionment at the City Hall yesterday on the application of the New-York and Port Chester Railroad Company for permission to cross certain streets in The Bronx. The company some time ago obtained permission to cross streets and highways in Westchester County, and The Bronx franchise is all that it requires to

begin the construction of its proposed line.

The Port Chester company was represented by ex-Justice D. Cady Herrick and President Gotshall, and among those sending delegations in its favor were the North Side Board of Trade, the Twenty third Ward Taxpayers' Association, The Bronx sociation and the boards of sidermen and boards of trade of Mount Vernon, Nev Rochelle and Port

The application was opposed by the New-York Westchester and Boston Railway Company, which had several legal representatives on hand. The Westchester company has a franchise through The Bronx territory, granted by the Board of Aldermen year ago.

Communications for and against the applica tion from a dozen or more associations of The Bronx were filed, and then the Mayor called for speakers. Alderman Shiel, of the 44th District, said he feared the franchise, if granted, would delay the work, now in progress, of the Westches ter Company Two or three others in opposition spoke along similar lines, and then ex-Justice Herrick repeated arguments in tavor of the road heard in the controversy before the Board of Aldermen last year, and declared that the Westchester road, the only real opponent the Port Chester has, was working under an invalid franchise and charter. President Gotshall retoid some of his troubles with the aldermen, and declared his readiness and ability to construct and operate his road as soon as the city gives the necessary permission.

his road as soon as the city gives the necessary permission.

When all the orators had been heard, Controller Grout, put the formal motion. It needs 12 out of the 16 votes of the board to adopt any resolution, "Little Tim" Sullivan, who, as Acting President of the Board of Aldermen, had three votes declined to vote, and President Cassidy of Queens was not present. The vote stood 10 ayes to 2 noes. On a second call Sullivan voted "no," and the resolution was tabled by the count. On Controller Grout's motion the application for a charter will come up next Friday under the head of special business.

An application of the Westchester road for permission to change its route, to dodge property the city is desirous of obtaining for the Bronx Park extension, also went over for one week. The same delay was ordered in the case of several other Rapid Transh applications.

FOR SLOCUM EXPENSES.

City Pushing Suit to Recover Costs Arising from Disaster.

In an effort to recover some of the large sum which the burning of the steamer General Slocum cost the several city departments concerned, and to open the way for survivors and heirs of victims to recover damages, the City of New-York is pushing its suit for \$34,000 against the York is pushing its suit for \$54,000 against the Knickerbocker Steamship Company. The whole question of the recovery of damages now hinges on the construction of the law limiting the liability of owners of vessels. If the limitation is the value of the vessel and cargo there is little hope that anything can be recovered, for there was no cargo and the hulk of the Slocum sold for a song. The city is fighting the case because no one else cares to take the risk of losing

"GRAFT" IN MILWAUKEE.

Grand Jury Indicts Thirty-eight Officials for Alleged Offences.

[BY TELEGRAPH TO THE TRIBUNE.] Milwaukee. June 30.-The work of District Attorney McGovern in investigating "boodle" charges has been successful, after a week's work with the grand jury, and to-night thirty-eight indictments

were returned Arrests are being made, but the names of the indicted are kept secret until the warrants are served. Most of those indicted evidently expected this result for they were ready with ball bonds when the warrants were served.

The investigation has not disclosed any big sensation, but has shown that every small matter which came before the county board was wrapped in "graft," and no matter of financial interest could be put through without a present of a large or small sum to the supervisors. The building of a poorhouse with marble walls and luxurious bathrooms and similar deals, caused the indictments Among those indicted are Fred Schultz, a newspaper reporter, accused of helping the supervisors plan to defeat justice, and Tony Klensch, clerk. These indictments represent the disbursal of about \$16,000

TO TEST ANTI-CIGARETTE LAW.

Rumor That Tobacco Trust Will Begin Action Against the State of Wisconsin. (BY TELEGRAPH TO THE TRIBUNE.)

Milwaukee, June 30.-The American Tobacco Company, it is reported, is preparing to test the constitutionality of the Wisconsin anticigarette law. The report also has been circulated that the company will retaliate against Wisconsin for the passage of this measure by refusing to use the Wisconsin leaf.

Cigar dealers have been selling out the last few days in readiness for the new law, which goes into effect Saturday. The largest sales of cigarettes ever recorded in the State have been made, and dealers say their entire stocks practically have been closed out. To-morrow it will be a violation of the law to give a cigarette to a friend. Meanwhile cigarettes have sold at marvellous bargains. Cigarettes ordinarily retailed at \$1 could be bought for 10 cents to-night. Smokers have invested fortunes to-day. It is estimated that \$20,000 has been paid day. It is estimated in Milwaukee alone.

"PAY DIRT" IN HERMCSILLO MINES. The Greene Consolidated Gold Company received a dispatch from its president, W. C. Greene, from Hermosilio, Mexico, stating that he has arrived at the gold properties and found that four thounsand pans of gravel taken from the mines have averaged

A. C. Bernard, the general manager of the company, has also stated that they are cutting into "pay dirt" continually. He says that it does not run less than \$3 a yard. The gold is said to be of fine quality and the up to date plant on the ground handles it easily.

TINPLATE MILLS TO SHUT DOWN. Pittsburg. RELIGIOUS NEWS AND NOTES. CHURCH AND

SUMMER OUTINGS, RETREATS AND OTHER MEET-INGS-TENT CAMPAIGN PROGRESS.

The Church of the Holy Communion is planning a series of Saturday and Sunday afternoon excursions for this summer, under the direction of the rector, the Rev. Dr. Henry Mottet. The excursions are for the special benefit of the members of the Carolyn Club, which includes about four hundred working girls. They will begin on July 8 and continue to September 10. There will also be a special Fourth of July excursion to St. Johnland, and a Labor Day trip to West Point by

Members will be taken on sightseeing trips by yacht and automobile, as well as to such points of interest as the Metropolitan Museum. On two

THE REV. DR. KERR BOYCE TUPPER Who succeeds the late Rev. Dr. George C. Lorimet as pastor of the Madison Avenue Baptist Church.

Saturday afternoons, July 8 and August 12, Dr. Mottet will conduct the club to Luna Park and Dreamland.

"Call it popularizing religion or what you will," said Dr. Mottet yesterday, "the undertaking is in second with common sense and with the spirit of pure religion. There can be no reasonable objection to our young girls taking excursions on Sunday afternoon, especially when they have shown their respect for the day by attending divine service in the morning.

"Not in a personal sense at all, but as an older man, having had more experience, I can say that with their rector to direct them they are likely to with their rector to direct them they are likely to obtain more benefit from such excursions than if they took them alone. This undertaking is in line with the principles on which we are conducting the Church of the Holy Communion. Just because it is summer, and sometimes hot and uncomfortable, we do not practically close the church. Our choir is kept at its full strength. Services are given as frequently as during the winter, and to add to the comfort of the congregation electric fans will be installed ready for use next Sunday."

The Church of the Holy Communion maintains throughout the whole summer nve services each Bunday. A clergyman can be found at the church every day, and his service is at the command of all people. All the pullanthropic interests of the church are maintained during the summer months. In the district bounded by 14th and 23d sts., 5th-ave, and the North River, this is the only free Protestant church at the command of the people.

The Rev. William, O'Brien Pardow, S. J., will conduct a spiritual retreat, especially for the alumns and former students of St. Joseph's Academy, Flushing, at the Academy of St. Joseph-in-the-Pines, Brentwood, N. Y. It will open on Wednesday evening. July 5, and close on the fol-lowing Sunday morning.

MEETINGS AT SEA CLIFF.

A remarkable series of Bible and Gospel meetings were held at Sea Cliff, Long Island, from June 18 to 25, inclusive, and their influence cannot but result in good to the kingdom of Christ. The aim of the meetings and the wide reputation of the speakers have made these meetings unusual. It was announced that the meetings were "not to emphasize any church or denomination, but to bring together for unity and inspiration all who hold the great essential facts of the Christian faith." The meetings were a spiritual and intellectual feast. Bix denominations were represented among the speakers. General Balling "Three Requirements of a Christian"; Dr. Robert MacKenzie, on "The Origin of Sin and the Way Out"; Dr. David J. Burrell, on "The Atonement" Out"; Dr. David J. Burrell, on "The Atonement"; Dr. Cornelius Woelfkin, on "The Gospel and Its Message"; Dr. Robert S. MacArthur, on "The Kingship of Jesus"; Dr. S. P. Cadman, on "The Kingship of Jesus"; Dr. S. P. Cadman, on "The Christian in the School of Christ"; Dr. James M. Buckley, "The Permanency of Christ and His Words"; Dr. D. G. Downey, on "The Dignity and Privilege of the Individual Christian"; Dr. Edgar W. Work, on "The Dignity and Certainty of Christ." These interdenominational meetings were held in the Methodist Episcopal Church, of which Dr. Gworge William Carter is the pastor.

The Sea Cliff Bible Conference will begin this evening and wal close Sunday evening, July 9. The principal sessions will be held each morning and evening, except the two Sundays, when there will be afternoon and evening meetings.

PROCRESS OF THE TENT WORK

Another Post Opened - More Funds Are Needed. The first ten days since the opening of the tent

movement has proved the practicability of the principles on which the present evangelistic movement is being operated. While the fifth tent was opened last Thursday evening, the four tents in operation during the last ten days, together with the stereopticon and open air meetings, have aggregated more than twenty-two thousand people Numbers, however, have not been the character-latic feature of the work, but those attending the meetings have been the people the committee aims to reach. Few church people are in evidence in the tents. Workers are in none of the tents sufficient to manage the people effectively.

On Thursday night Tent No. 5, in 146th-st., near Amsterdam-ave., opened with a promising outlook. The Rev. Mr. Relland, rector's assistant at Grace Episcopal Church, is in general charge, assisted by a student, S. C. Fish, and the neighboring pastors. The opening meeting was addressed by Dr. W. R. Huntington, the Rev. Dr. James B. Ely, general superintendent, and the Rev. Dr. Henry C. Mottet.

A new lot is offered at 108th-st., on which a tent could be erected at once and equipped if the means were provided. To-morrow morning a new service will be begun

in Tent No. 2, at 60th-st and 11th-ave., for colored people, conducted by the Rev. Mr. Stafford and the Rev C. L. Butler, a loyal colored pastor of one of the neighboring churches. Miss Thompson, who has been in charge of the children's work in this section, has giready, through the children, reached several hundred homes, as well as influenced the children themselves.

On Saturday evening, in addition to the regular service, an Italian meeting has been arranged for in Tent No. 3, at 190th-st. and Pelham-ave., be conducted by the Rev. Mr. Naidi, who has in charge Tent No. 1. It is expected that this will become a feature of the work in that section, in addition to the regular nightly services for adults at 8 o'clock and the children's service at 7 o'clock. The Rev. Thomas Houston, the blind evangelist, is John Forsythe, a student of Princeton Seminary, gives his entire time to the visiting of nunity, and Miss Maybee to the children's

the community, and Miss Maybee the chindred department.

On Monday, at 11:30, the ministers of all the various denominations interested, together with Christian workers, will hold a meeting in the Bible Teachers' Training School. No. 541 Lexington-ave, which meeting will be under the auspices of the evangelistic committee and will be led by the superintendent, Mr. Ely, Here reports will be given perintendent, Mr. Ely, Here reports will be given from all the tents. Dr. John Balcom Shaw will give an address bearing upon the work. At 3 o'clock Monday afternoon the evangelists and ministers will hold a meeting upon the steps of the Custom House. Dr. Shaw, of Chicago, will be the chief speaker.

Custom House. Dr. Shaw, of Chicago, will be the chief speaker.

During the last week a new department has been established in connection with the work—the flower established in connection with the work—the flower department, to which Mrs. Margaret Bottome is giving her attention, with a number of assistants. Appeals are made to friends throughout the sub-arban section to send flowers to the various tents to be given to the children, through whom it is believed messages of love and sympathy may be sent into many homes. Already several large donations have been received, and it is expected that next week more will be sent.

The evangelistic committee is greatly embarrassed

at the present time with the fact that more loca-tions and lots have been suggested and offered without price, for the erecting of tents, than it can possibly meet with the amount of funds at its dis-

posal.
The Rev. Dr. George Lunn, of Schenectady, and
Miss Sanford, of Washington, the noted soloist who
led in the revival last winter in Schenectady, will
begin in Tent Evangel to-morrow, at 8 p. m., a
week of special services. The Rev. Dr. George
Pentecost will preach at 4 p. m. on Sunday.

Dr. Tupper will also conduct the Toung Men's Bible Class in the church on Sunday morning at 9:46. This church has the acousticon for the deaf, enabling them to hear and enjoy the service.

which the Rev. Dr. Pleasant Hunter is pastor, wil be occupied the first and second Sabbaths in July by the Rev. Dr. James D. Moffat, president of Washington and Jefferson College and Moderator of the General Assembly. The subject of Dr. Moffat's sermon to-morrow, at 11 a.m., will be "The Way, the Truth and the Life." The regular midweek prayer service will be continued during the summer, to which all are cordially invited.

At the Scotch Presbyterian Church the pastor. the Rev. David C. Wylie, will conduct the services. and will preach morning and evening on patriotic themes. At II a. m. his subject will be "The High Position God Has Given the American People and Their Grave Responsibility." At 8 o'clock Dr. Wylie will preach on "National Degeneracy." This church will be open all summer, morning and even-ings, and all are invited to its services.

At the West End Presbyterian Church the pul pit will be filled both morning and evening by the Rev. Arthur J. Smith, one of the most efficient of the workers of the General Assembly's Evangellatic Committee. As usual, the West End Church remains active throughout the summer, and various preachers of eminence will occupy the pulpit. During the absence of the pastor, the Rev. A. Edwin Keigwin, the assistant minister, the Rev. William Bishop Gates, will be in charge. Next Sunday evening Mr. Gates preaches at the Puritan Chapel, 138th-st. and 6th-ave.

On Tuesday night, July 4, the annual observance of the day will have as its leading feature an illustrated patriotic lecture, by Henry R. Rose.

On Monday morning, July 3, the test examination the four-year scholarship at the Academy of St. Joseph-in-the-Pines, Brentwood, N. Y .. held at St. Francis Xavier Academy, Carrollbe held at St. Francis Xavier Academy, Carrolist., near 6th-ave., Brooklyn. Every Brooklyn grammar school in charge of the Sisters of St. Joseph will be represented in the contest by the pupil whose record during two years, at least, has been satisfactory and whose class standing and percentage in the June examination reached the highest average. The scholarship has been founded by Mrs. Matilda Patterson in memory of her deceased husband, Thomas Joseph Patterson, of Brooklyn

AGAINST CHINESE EXCLUSION.

Returning Consul Would Have Worth, Not Race, Status for Immigrants.

[BY TELEGRAPH TO THE TRIBUNE.] Plainfield, N. J., June 30 .- The Rev. Walter T. Griffin, United States Consul to Limoges, France, who is home on a furlough, addressed the Men's Association of Trinity Reformed Church last night, declaring himself to be opposed to discrimination against the Chinese by American immigration laws. For many years Mr. Griffin has made a study of this question and he said that, except in the case of criminals, no racial discrimination should be made by this government. He said that he was not criticising the present laws, but that he could see no reason why the people of this country should tell those of any other country that they must stay out "I cannot see why a man should be barred because of his color, the slant of his eyes or the way he wears his hair," said Mr. Griffin. "I would, however, see barriers put up against those who have committed crime, against those who seek to escape duty at home, or those who would deserrate our country." against the Chinese by American immigration is

seek to escape duty at home, or those who would descerate our country."

The consul said that in the last eighty years there have been 21,000,000 immigrants and this should be no cause for alarm, as there is room here for every able bodied man in the world and there is pienty of work for him to do.

Mr. Griffin sounded a note of warning against the man from the southern part of Italy, saying that he could not be watched too closely.

NEED NOT FEAR CHINESE BOYCOTT. Detroit, June 30 .- Charles Denby, diplomatic adviser to the Viceroy of North China, who is visiting relatives here, does not take a serious view of Chinese threats to boycott American goods, owing to the Chinese Exclusion act. Mr. Denby, who

has for twenty years been in close touch with political and commercial affairs in China, said: The Chinese government is not back of this agi tation and it is not supported by the merchants. It is probable that Chinese students are making the trouble. The students of China, like those of Russia, are a factor in politics—young, hot headed fellows educated abroad, and with advanced reform ideas.

ed fellows educated abroad, and with advanced reform ideas.

China is satisfied with the present exclusion laws.
I believe that if we repealed these laws China would pass an act forbidding the coolies to come to this country. The government has a contract with the big mineowners in South Africa to supply them with labor. The government gets a royalty on all the labor furnished and cannot get men enough. It has recrulting agents all over China now. The Chinese don't want their laborers to come to America. All China wants is a fair, just administration of the laws, that students and merchants be allowed to come in undisturbed, and no discriminations.
